WHAT ARE LEGAL OPS ?

Legal Operations (or Legal Ops) refers to the set of functions, tools, processes and skills that optimize the management of legal activity within legal departments or law firms. The aim of Legal Ops is to reinforce operational efficiency, increase the added value of legal teams and better align the legal function with the company's overall strategy.

WHAT DOES THIS MEAN IN CONCRETE TERMS ?

Legal Ops covers :

- Contract management,
- Legal practice management,
- Implementation or optimization of internal processes (workflow, automation),
- Digitalization through the adoption of new tools,
- Legal management and risk management,
- Document governance,
- Performance measurement (legal KPIs),
- Compliance and internal policy management (compliance, CSR, etc.)

WHO DO WE TALK TO ?

Our main clients are:

- Legal departments of companies of all sizes,
- Compliance and risk managers,
- Lawyers,
- Law firms wishing to structure or digitalize their operations

WHAT SHOULD YOUR OBJECTIVES BE ?

- Better structure your management
- Rediscover operational efficiency
- Align your operations with corporate strategy
- Better manage risks and budgets
- Transform your team into business partners

WHAT IS OUR ASSISTANCE ?

Our firm offers a tailor-made approach to support legal departments in their Legal Ops projects, acting as a strategic and operational partner

We help you to :

- Diagnose your needs and current practices (Legal Ops audit),
- Structure and formalize your legal processes,
- Set up workflows to better manage risks,
- Select and deploy the right digital tools (contract management, data management, generative AI, electronic signatures, etc.),
- Manage documentation and legal knowledge,
- Implement effective and appropriate governance and compliance policies,
- Train your teams in the tools and processes deployed,
- Manage legal budgets,
- Learn how to communicate about your management

We bring you cutting-edge legal expertise, practical operational experience and a pragmatic vision of the transformation of the legal function.

WHAT MAKES US LEGITIMATE ?

- Drawing on our experience as an outsourced legal department or DJ support department, we have had the opportunity to identify the problems of efficiency and recognition that legal departments encounter in this context
- We have also encountered these problems within the firm. As a result, we can now offer our customers this original form of assistance
